

RESOLUTION FROM THE 22ND INTERNATIONAL CONFERENCE ON GEOMETRY AND GRAPHICS

This resolution is issued to acknowledge and express gratitude concerning the successful organization of the 22nd International Conference on Geometry and Graphics (ICGG 2026), held in Zagreb, Croatia, from August 3rd to August 7th, 2026.

ICGG 2026 was organized by the Croatian Society for Geometry and Graphics (CSGG) and hosted by the University of Zagreb, in the joint building of the Faculty of Architecture, Faculty of Civil Engineering, and Faculty of Geodesy. This conference marked the first International Conference on Geometry and Graphics organized in Croatia.

The conference was organized under the leadership of Helena Koncul (University of Zagreb, Croatia), Chair of the Organizing Committee and President of CSGG, with the support of the Organizing Committee, the International Program Committee, and the International Society for Geometry and Graphics (ISGG).

The 22nd International Conference on Geometry and Graphics gathered 177 participants from 30 countries, including researchers, educators, professionals, students, and accompanying persons. The scientific programme consisted of 4 plenary lectures, 111 oral presentations, and 11 poster presentations, covering various aspects of geometry and graphics.

A total of 148 submissions were received, and 121 contributions were included in the Springer Proceedings, consisting of one plenary lecture paper, 109 oral presentation papers, and 11 poster papers. The Proceedings were organized in three volumes within Springer's Lecture Notes on Data Engineering and Communications Technologies series.

In addition to the scientific programme, ICGG 2026 included the Opening Ceremony, Welcome Reception, Conference Excursion, Conference Dinner, and Zagreb Walking Tours, providing opportunities for participants to exchange ideas, establish collaborations, and strengthen the international community of geometry and graphics.

Special thanks are extended to the International Society for Geometry and Graphics (ISGG) and the Unione Italiana Disegno (UID) for their support of ICGG 2026. Appreciation is also expressed to the Faculty of Architecture, Faculty of Civil Engineering, and Faculty of Geodesy of the University of Zagreb for hosting and supporting the conference.

The participants of ICGG 2026 express their sincere gratitude to the Chair and members of the Organizing Committee of the Croatian Society for Geometry and Graphics, the members of the International Program Committee, reviewers, plenary speakers, session chairs, student volunteers, and all individuals who contributed their time, knowledge, and effort to the successful organization of this conference.

Therefore, be it resolved that the participants of the 22nd International Conference on Geometry and Graphics wish to thank all organizations and individuals whose contributions made ICGG 2026 a successful and memorable event.

It is further resolved that this expression of gratitude be transmitted to the aforementioned organizations and individuals, and that the text of this resolution be entered into the records of the International Society for Geometry and Graphics.
